

Cozmo the Computer says...

Handle me carefully

- Keep me on a flat surface like a table or desk while working.
- If you have to move me, hold me with two hands.
- Be gentle when touching my keys.

Watch where you click

- All things are not good things on the Internet. Be careful what you click on.
- Only go to sites and programs you are instructed to.
- Remember, I save everything you do and every site you visit.

Keep food and drinks away from me

If food or drinks are spilled on me it may ruin me and then I will not work for you.

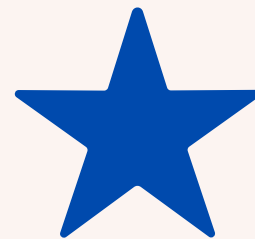

Think before you post

- Be kind and respectful.
- Remember you leave a digital footprint everytime you post. Be sure your footprint is one you can be proud of.

Remember your password and bookmark your sites.

- Create a password that is easy for you to remember.
- Write it down and put it in a safe place.
- Bookmark your favorite sites so they will be easy for you to get to.

Click the star for directions

Take care of your computer!
