**2019-2020 AFTERSCHOOL DRAMA PROGRAM**

September 19, 2019

Dear Families of Students in Grades 3-6,

Once again, this year, the Dogwood Dragons will be working with Acting For Young People’s “Time to Shine” Program. AFYP provides professional-level guidance in a supportive and fun environment that empowers young actors with lifelong skills that are valuable both on stage and off. They present plays that harness the power of theater to engage and educate young minds.

AFYP has been serving Northern Virginia for 22 years and their programs impart life skills, raise awareness, build confidence, encourage creative thinking, build character and above all, nurture an appreciation for live theater in young audiences. Their staff is made up of working professionals: actors, directors and teaching artists who are constantly honing their skills through their creative endeavors and bringing those skills back to share with their students.

Program Directors Hayley Dandreaux, Rocio Medina and Esteban Marmolejo-Suarez are thrilled to work with the talented students at Dogwood! This fall, they will focus on basic acting and theater skills, which will include audition workshops in preparation for our Spring production of *Aladdin KIDS*.
